### THE GAZETTE.

TUESDAY EVENING, JUNE 24.

MR MCCORMICK AT HIS OLD HOME.- Mr. Leander J. McCormick, the millionaire agricultural implement manufacturer, bas sold out his large plant at Chicago for over \$3,000,000 and retired from business. He is a native of Rockbridge county, Va., and has been ou a visit near the old homestead, near Raphine, in that county, for several weeks. He is superintending the erection of nine staffs, which he is placing over the graves of his ancestors, buried at Old Providence Church. It is stated that some of the most valued and highly-prized ornaments in his palatial parlor at Chicago are cooking uten-sils used by his grandmother at the old home in Rockbridge. He believes in keeping alive the memory of his departed relatives, and gathers around him everything that will serve that purpose and remind him of his boyhood days.

Two Murders and Two Suicides.-Two murders and two suicides were committed at Birmingham, Ala., on Saturday night in quick succession. Charles Cato, a white man, went to the room of Lizzie Mitchell, his mulatto mistress, at about 1 o'clock, and shot her dead. Then, placing the pistol to his own head, he blew his braics out. Among the spectators attracted to the scene of the tragedy was Wm. Tstum, a carpenter. After locking at the dead bodies awhite Tatum remarked: "Well, that's a good way to settle those things." He then walked over to the room of Mary Barnett, a woman with whom he had seen living for some time. As whom he had been tiving for some time. As soon as he entered the room he draw a pistol, shot the woman through the body, and then blew out bis own brains.

TO SHOOT NIAGARA IN AN AIRSHIP. Professor Campbell has been to Buffislo, N Y., for the past week busily engaged in making preparations for his much talked of trip over the Niagara cataract in his airship The ship has been repainted and the material with which the wings are to be covered is ready for adjustment. The Professor thinks he will complete his arrangements this week and that he will make his voyage within two weeks. The arrest will be made. within two weeks. The start will be made from Humberstone, where the balloon that is to float the ship will be filled with natural gas from a well located there.

Horses Slide to Base  $-N_{\odot} r^{\gamma_{1}}$  150 men are now busily engaged to the construction of the new bridge across the Neshaminy Creek west of Langhorne, Pa. The structure will be built of eight arches, each of fifty feet span The elevation to which the road has been rulsed across the Paxson property is forty feet, and the earth used in making the road-bed is harded up to the dump in carts. As soon as the carts by a z'g-z z g road reach the summit of the "dump" they are unloaded, and the horsee are trained to slide down the steep incline to the bottom. This novel plan saves much time to gerting back for another load.

MEDICINAL.

Nature should be assisted in the spring to throw off the heaviness of the sluggish winter circulation of the blood. Nothing does it so well, so SPRING. prompt or so safely

I have used S. S. S. for a number of years, and consider it the best tonic and blood remedy that I ever used. In fact I would not attempt to enter upon a spring or summer in this climate with-out it.

# Summer Goods at Miller's.

We have very superior articles in FLY FANS and at a very low price. You will certainly need one this summer, and before buying look at ours. No key needed to wind them up.

Also a very superior make of WATER COOLERS and REFRIGERATORS. We sail the "ALASKA" REFRIGERATOR which used only 12 the of ice.

REFRIGERATOR, which used only 12 lbs of ice to its nearest competitor's 17 lbs at the New Orleans Exposition. This is a great point when you censider how scarce and high ice is this season. It will pay you to see these goods, as we will thoroughly recommend them and guarantee satisfection.

We are constantly receiving NEW GLASS-WARE, the latest productions of the market, and you can find excellent substitutes for Cut-Glass in some of these patterns.

FRUIT JAES and JELLIES are much cheaper

than they were last season, and you will find the very lowest figures at our store. Have you seen our NEW JAM JAR? If not, do not "put up" any Jelly until you have seen it. It fills a lengfelt want. Goods arriving every day.
